1. PREAMBLE

- a)** These variations to the Rules of Assessment should be read in conjunction with the following documents:
- Principles of the Rules of Assessment framework
 - Framework for University of Essex Undergraduate courses
 - Extenuating Circumstances
 - Examination Board Discretion
 - Glossary of Terms
- b)** These variations apply to all current and future courses delivered in Singapore by Kaplan.
- c)** The Rules of Assessment in place at the time of the meeting of a Board of Examiners are applied for all students, regardless of when they started their course, provided that any revisions that have been made will not negatively impact students.
- d)** Students whose preliminary marks (after marking and moderation by Kaplan Singapore) indicate they need to undertake reassessment in that module should be able to undertake reassessment before the meeting of a Board of Examiners where their studies would otherwise be delayed unnecessarily.
- e)** Kaplan Singapore students study 240 credits over a period of 18 months. Students study in four equally weighted terms of 60 credits each. They study 120 credits at Level 5 in Year Two (Terms 1 and 2) and 120 credits at Level 6 in the Final Year (Terms 3 and 4).
- f)** The maximum period of study for students undertaking a University of Essex course at Kaplan Singapore is three and a half years. The maximum period of study is set from the date when the student is first admitted to an Undergraduate course. Changes of courses, reassessment which takes place

whilst progress to the next term is suspended and periods of intermission are normally included within the maximum period, unless there are exceptional reasons.

g) When the Board of Examiners meets the following marks will be considered:

- Marks for all students who have progressed to the next Term/Year or undertaken reassessment prior to the Board of Examiners meeting;
- Marks for all students who have completed a Term/Year but have not progressed or undertaken reassessment. In this case the Board of Examiners will apply the principles as set out in 2.3 and 2.4 in terms of offering students their first reassessment attempt or requiring them to withdraw from the University.

5. TERM FOUR (ELIGIBILITY FOR AN AWARD)

5.3 To be eligible for an Honours Degree, a student must attempt 120 credits in the Final Year and pass at least 90 credits at Level 6:

- A total of 210 credits must be passed across all Years (Year Two and Final Year); and
 - All core modules must be passed; and
 - Any additional course-specific requirements outlined in the Variations to the Rules of Assessment must be met, including Professional, Statutory and Regulatory Body requirements.

- Where 30 credits have been failed across Year Two (Terms 1 and 2), 120 credits must be passed in the Final Year (Terms 3 and 4).

- Where 15 credits have been failed across Year Two (Terms 1 and 2), a minimum of 105 credits must be passed in Final Year (Terms 3 and 4).

- Where 120 credits have been passed at Year Two (Terms 1 and 2), a minimum of 90 credits at Level 6 must be passed in the Final Year (Terms 3 and 4).

5.4 A student's Degree Class is based upon Year Two (Terms 1 and 2) and Final Year (Terms 3 and 4) marks. Year Two and Final Year marks are weighted 40% and 60% respectively and combined give the Degree Mark:

5.4.3 First Class Honours will be awarded to a candidate who has:

- Either a Degree Mark of 70 or more; or
- 120 credits at 70 or more and a Degree Mark of at least 68

5.4.4 Upper Second Class Honours will be awarded to a candidate who has:

- Either a Degree Mark of 60 or more; or
- 120 credits at 60 or more and a Degree Mark of at least 58

5.4.5 Lower Second Class Honours will be awarded to a candidate who has:

- Either a Degree Mark of 50 or more; or
- 120 credits at 50 or more and a Degree Mark of at least 48

5.4.6 Third Class Honours will be awarded to a candidate who meets the criteria for the award of an Honours Degree (see **5.1** above) but who does not qualify for any other Class of degree.

5.5 If a student has met the requirements to graduate with an Honours Degree but has failed final term module(s), the Board of Examiners will offer a voluntary reassessment opportunity in the failed module(s), provided that the student has not already had three attempts at assessment for the module(s).

5.6 If a student does not meet the requirements for an Honours Degree as stated in 5.1, the Board of Examiners will offer the student the following options. The Board of Examiners will specify the minimum volume of compulsory reassessment that is required, and will offer a voluntary reassessment opportunity in the other failed Final Year modules:

- a) Undertake the necessary reassessment in the failed module(s) without attendance at the next available opportunity. The Module Aggregate will be capped at 40.
- b) Repeat the failed module(s) with attendance for uncapped Module Marks.
- c) Leave the University now with an Exit Award as detailed in Section 8.

5.7 Where a student has no substantiated Extenuating Circumstances, the student must withdraw from the University in either of the following situations:

- Where a student cannot complete their studies within the maximum period.

NOTE: If a student must withdraw from the University, they may be eligible for either a transcript for their credits obtained or an Exit Award. For more information, please see section **8**.

5.8 Following reassessment, if a student is still not eligible for an Honours Degree, the Board of Examiners will offer the following options:

- a) Undertake the third and final attempt in the failed module(s) without attendance at the next available opportunity. The Module Aggregate will be capped at 40.
- b) Repeat the failed module(s) with attendance and undertake the third and final attempt at reassessment with attendance for uncapped module marks.
- c) Leave the University now with an Exit Award as detailed in Section 8.

5.9 Students cannot be offered further voluntary reassessment so the Board of Examiners will only offer reassessment to Final Year students who have still not met the minimum criteria for the award of an Honours Degree. Furthermore, Boards will only offer reassessment in a sufficient number of modules to enable students to meet the minimum criteria for the award. For example, if a student has failed 60 credits' worth of non-core modules in the Final Year after the first attempt at reassessment, they will only be offered reassessment in 30 credits.

5.10 Where a student has not met the requirements for an Honours Degree to proceed having had three opportunities to undertake the assessment for a module, the student would be required to withdraw from the University. For further information on Exit Awards please see section **8**.

NOTE: An Undergraduate Board of Examiners will reinstate the Module Mark for a previous attempt at a failed module if it is higher than the mark for the most recent attempt. The reassessment must be attempted in order for a higher Module Mark to be reinstated.

6. CONDONING RESULTS

6.1 Kaplan Singapore students are only able to condone 30 failed credits in non-core modules over their period of study.

6.2 Following reassessment, where a student has a fail mark below 40 in a maximum of 30 credits of non-core modules, the Board will treat the fail in the following way:

6.2.1 Where a student has not had three attempts at the assessment for the failed module the Board will offer the student the choice of either undertaking reassessment in the module before progressing to the next term or proceeding to the next term carrying the fail.

6.2.2 Where a student has already had three attempts at the assessment for the failed module the Board will permit the student to proceed to the next term carrying the fail.
