

Water shut down, 21-22 January 2025

The water will be shut off 8.00am - 16.30pm. There will be no toilet, kitchen, or drinking water facilities in this part of the building during this time. Toilets will be locked off for the duration of the work. Please make use of the facilities in nearby buildings while this work is being undertaken - your closest alternative would be the Computer Science and Electronic Engineering building accessible from the Square 2 2NE entrance, or the main academic building accessible from the Square 3 3NE entrance. The heating will not be impacted by these works.
