

Water tank works, 22 January 2025

Compliance works are being undertaken by our water hygiene specialist contractor. These works will include cleaning of the water tanks that feed the building and will mean that water is suspended at specific times.

22 January 2025 works will be undertaken in your area of the main academic building, accessible via the square 4 (4NW) or square 3 (3NE) entrances:

The water will be shut off 8.00am - 16.30pm. There will be no toilet, kitchen, or drinking water facilities in this part of the building during this time. Toilets will be locked off for the duration of the work.

Please make use of the facilities in nearby buildings while this work is being undertaken. Your closest alternatives would be
