What is “Ordinary Residence”?

For the purposes of assessing eligibility for the scholarship, you must have been ordinarily resident in Hong Kong, for the three-year period prior to commencing your course. Ordinarily resident means that you must have been habitually, normally and lawfully, residing in Hong Kong, from choice, for the specified period. The three-year period for courses starting in October 2025 is calculated as 1 September 2022 to 1 September 2025. Temporary absences during this three-year period may be permitted at the discretion of the relevant University officer. Students may be asked to provide documentary evidence to determine ordinary residence and an assessment of whether a student meets the ordinary residence criteria will normally be made by the Head of Admissions or their nominee, and their decision will be final.
